

## How to Use This Resource (and copyright information)

### Developing a Missions Strategy that Fits Your Church

Welcome to *Developing a Missions Strategy that Fits Your Church*.

This resource is intended to help you lead a workshop, consult with a church, or help your own church work through a strategy development process for missions.

1. Read the copyright statement below.
2. Review the **Strategy Overview** (in the PowerPoint folder).
3. Familiarize yourself with the **Strategy Leader's Guide**.
4. Open the **Strategy Participant's Workbook**.
5. Open **Strategy I** (in the PowerPoint folder).
6. Review these files and work through them together.
7. Use the additional files as references and support information.

#### Supplemental Resources:

- The Missions Assessment Profile (MAP), APMC
- *Exploring World Vision*, Bryant Myers, World Vision Resources
- *Operation World*, Patrick Johnstone
- *Building Global Vision*, David Mays
- **Stuff** you need to know about *Doing Missions in Your Church*, 5 volumes on CD, David Mays
- [www.davidmays.org](http://www.davidmays.org)
