We believe that the chief end of College Church is to glorify God and enjoy Him forever. In fulfilling this purpose we affirm three priorities.

The first is upward, for our love and worship of God is the highest priority of Christian life.

The second is inward, because our care for, and discipleship of the body of Christ is the earthly responsibility of the church.

The third is outward, for Christ, the head of the church, calls us as His body to missions, evangelism, and social concern.

We believe that none of these priorities should be emphasized at the expense of the others, but that together they fulfill the directive of Holy Scripture.
